

Corporate Supply Chain Director

Do you want to work for a company that helps build clean, healthy indoor air environments? BGE is looking for a proven leader to join our team in the role of **Corporate Supply Chain Director**. Our ideal candidate for this role will encompass and live our core values of: **Together We Are Better, Striving for Excellence, and Be the Experts**.

This position will be based out of our Edmonton location. Regular travel to all seven of our locations will be required. *Locations: Prince George, Burnaby, Fort McMurray, Edmonton, Calgary, Saskatoon and Winnipeg.*

The Corporate Supply Chain Director partners with various internal and external stakeholders to create and drive supply chain and logistics strategy and initiatives that deliver best in class performance. Specific areas of oversight include: product and equipment purchasing, inbound and outbound transportation and distribution, customs and brokerage compliance, return goods policy, along with the ownership of contract management and supply chain service level performance.

This position is accountable for building, developing and providing supply chain and logistics organizational capabilities to both internal and external customers, ensuring the optimal flow of physical goods through the various network channels. This role will be responsible for developing, communicating and enforcing policies and procedures pertaining to procurement transportation, customs, warehouse management and distribution. This role serves as the most critical interface and coordinator between departments, warehouses, purchasing, distribution, manufacturing, sales, customer service, and finance.

The Company:

BGE provides services and products to organizations that care about clean air. Through its focus on strong customer relationships and an integrated service and product offering, BGE delivers industry knowledge and advisory support, enabling organizations to build and maintain clean, healthy indoor air environments.

First Year Deliverables:

- 6-month onboarding; shadow and complete current work of key positions within the Supply Chain team.
- Map out current business processes.
- Introduction to key suppliers and building understanding of current product lines and raw material inputs.

- Build a Supply Chain business plan that aligns with the overall corporate strategy and sets annual priorities for Supply Chain area.
- Assess the current inventory levels and review the current warehouse and logistic assets. Provide recommendations to support future growth.
- Analyze and implement distribution, inventory and purchasing systems.
- Develop training, development and succession paths for the supply chain team.

Qualifications:

- 10 to 15 years of experience in the field of distribution and warehouse management.
- University degree or equivalent supply chain education.
- Experience in building and overseeing highly motivated teams of diverse backgrounds.
- Strong working knowledge of purchasing, transportation, warehousing and customs coupled with project management skills or certification.
- Able to effectively interface and influence change and decision making with multiple levels of internal and external customers.
- Ability to engage and partner with senior leadership team members to promote collaboration in developing current and future growth and optimization strategies.
- Demonstrated negotiation skills.
- Positive, “can-do” attitude and customer focused approach that will enable individual to deal with challenging situations with integrity, empathy and passion.
- Ability to travel (15%). Travel time during onboarding period will be increased.
- Must possess a Valid Class 5 Driver’s License and Driver’s Abstract that meets BGE’s requirements.
- Must be authorized to legally work in Canada.
- Must be bondable, and all applicants will be subject to a pre-employment/pre-access security background check.

Please submit your resume and cover letter to search@concordconsulting.com and reference the job title and location when you apply.

BGE hires on the basis of merit and is committed to employment equity. We encourage all qualified persons to apply.

We would like to thank all applicants for their interest in this position; however, only those selected for interviews will be contacted.
